

Available Weekday Sessions:

Session I: June 17 – June 28

Session II: July 8 - 19

Session III: July 22 – August 2

Session IV: August 5 – 16

The first Monday of every session will be used as evaluation time to ensure each participant is in the appropriate level for his/her ability.

Afternoon Classes These classes are being offered at the request of the community for an alternative for working parents/guardians. The levels were chosen based on number of waitlisted participants in the past.

Parent and Me Drop-In Classes: Saturdays & Sundays 11:30-12:00pm For ages 6 months to 3 years and a parent or two. Have fun learning how to prepare your child for a lifetime of swimming. Parents will be in the water with their child playing fun games and learning proper holding techniques. A Montana Health Code – Approved swim diaper is required.

Preschool Level

This class is primarily for children ages 3 to 5, who can be in a class without needing a parent in the water. (A MT Health Code-approved swim diaper is required.) Student will learn water safety, survival skills and foundational swimming concepts in a safe and fun environment. Skills are age-appropriate, allowing students to achieve success on a regular basis.

- Help children become comfortable in the water and basic water safety.
- Introduce fundamental skills, such as kicking.
- Focus on coordinating arm and leg movements and improving upon skills.

Level 1 Introduction to Water Skills Class Description

This class is for children ages 5 and up who are competent with the following requirements: Enter water by jumping in, fully submerged and holding breath, bobbing, front, jellyfish and tuck float, back float and glide, recover from float position to vertical position. Please note: we encourage you to review the Preschool Level classes. If your child needs

This class will work on the following skills: (swimmers must be able to complete all below certification requirements to move to the next level)

- Look before you leap

Level 4 Stroke Improvement

Our focus at the City of Livingston Pool is to prepare children to be capable to swim on their own (Preschool – Level 3 lessons). We recognize it is hard for families to travel to Bozeman for higher level courses. We are currently at capacity with our class offerings thus opportunity to offer one class per session. – We appreciate your understanding of our efforts and focus.

This class is intended for the Level 4 swimmer. If your child is competent in the below requirements this is the class for them! The class will mainly be geared towards Stroke Improvement..

This class is for children ages 7 and up and are **competent with the following requirements:** Enter Water by jumping in from side, Headfirst entry from side, sitting and kneeling positions, Bobbing while moving towards safety, Rotary breathing, Survival float, Back Float, Change from vertical to horizontal position on front & back, Tread water, Push off in a streamlined position then begin to flutter and dolphin kick on front, Front crawl & elementary back stroke, Scissors kick, Look before you leap

In addition to the above, this class will work on the following skills:

(swimmers must be able to complete all below certification requirements to move to the next level)

- Rotary Breathing
- Freestyle, backstroke, elementary backstroke, scissors kick and sidestroke
- Whip kick and breaststroke, intro to turning at wall
- Treading water with modified scissors
- Diving in kneeling position

If your child has completed the above competencies and is very interested in swimming, it may be time to look at further opportunities in other communities as the City of Livingston Pool is not equipped to offer a certificate in Level 6 or more advanced classes at this time.
