

Livingston Adopt-A-Trail/Park Program

Livingston Adopt-A-Trail/Park is an all-volunteer program that gives the public an opportunity to be actively involved in conserving and maintaining their favorite trail or park in Livingston.

Objectives for the Livingston Adopt-A-Trail program are:

- To ensure the continued enjoyment of trails and parks in Livingston;
- To unite those interested in responsible land management practices through maintenance of trails;
- To promote public land stewardship, safety, physical fitness, and community.

The primary requirement to adopt a trail is to have a genuine concern for the well-being of our natural resources. Groups, students, families and private businesses are encouraged to be involved. Volunteers may adopt a favorite site or the Adopt-A-Trail Volunteer Coordinator can suggest a trail needing attention. Volunteers who choose to Adopt-A-Trail receive training and instruction on proper trail maintenance techniques.

A one-year commitment is required. Adopt-A-Trail volunteers must attend a one-hour orientation and an on-site training. Volunteers under the age of 12 must be accompanied by an adult when performing trail maintenance activities as part of this program.

Volunteers should provide their own gloves and tools. The city will provide trash bags and pickup collected trash.

Once trained, volunteers are expected to:

- Walk and observe the adopted section of trail at least three times per year, including once in the spring;
- Remove litter, sticks and debris from the trail;
- Assist with reporting of invasive plants, once they have received Livingston Parks and Recreation weed identification training.

Livingston Parks and Recreation Department will:

- Orient groups to the Adopt-A-Trail program, and
- Provide basic trail maintenance and weed identification and reporting training.

Trail volunteers must submit an application to become a trail volunteer with Livingston Parks and Recreation, and must sign a volunteer liability waiver form.

You can also donate materials, equipment, time, and funds to carry out Livingston Parks and Recreation Department plans for your site.
