* Total Arrests (Adult and Juvenile Combined)

** Adult arrests prior to 2004 reflect all custodial arrests, and include the number of individual warrants served and charges filed (ie. if an individual was arrested on 3 warrants, or was charged with 3 different offenses, it was counted as 3 separate arrests.) In 2004 the statistics were changed to reflect the actual number of arrests made, regardless of how many offenses the offender was charged with. An arrest now represents each time an individual is booked or cited for a criminal offense.
