ADULT ARRESTS

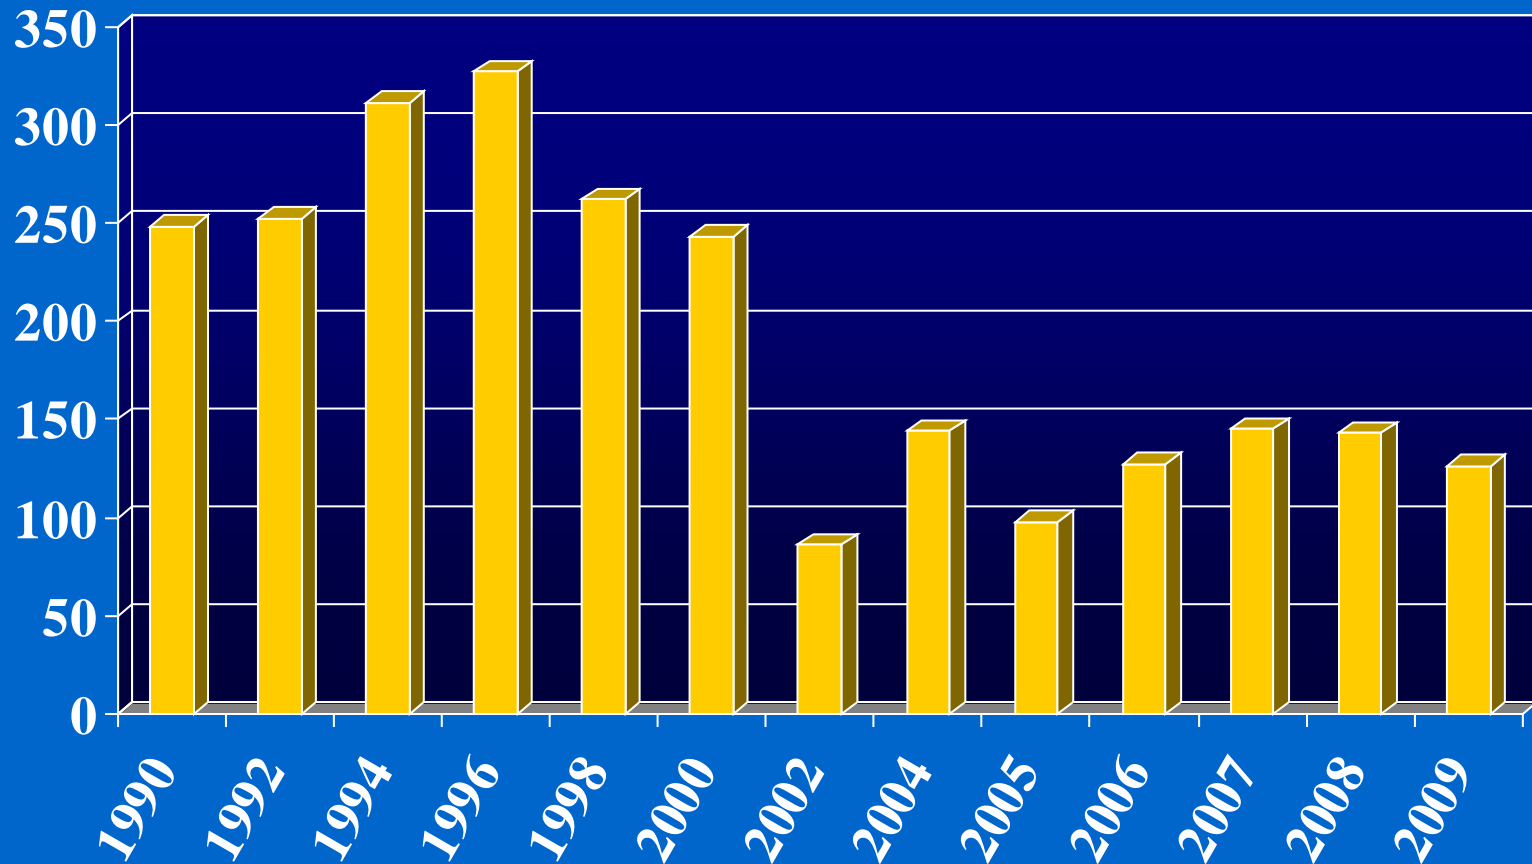

NOTES: 1985 arrests included juveniles. Beginning in 1990, the numbers only reflect adult arrests. Prior to 2003, each criminal charge, or each warrant served, counted as an arrest. (Ie an individual could be arrested on 3 warrants, or charged with 3 offenses, and it counted as 3 arrests.) Beginning in 2004, arrests reflect each separate time an individual was arrested, regardless of how many offenses he/she was charged with.
