FY 2007-08	9.130	2.500	2.500	14.130

The county finance director calculated that a levy of 3.22 mills would be allowed to be levied as allowed by the floating mills for fiscal year 2010-11. While there is still some uncertainty as to whether or not the county will levy the maximum number of mills allowed, our budget is based on the county levying the full amount.
