

Spring is in the Air!

City Administration 222-2005
City Finance and Utility Billing 222-1142
Public Works 222-5667
Civic Center/Recreation 222-8155/223-2233
livingstonmontana.org

Online bill pay and ACH are now available

Finance Office: You are now able to pay your utility bill online. Just go to livingstonmontana.org and use your **Web ID** marked on your utility bill. If you are interest in monthly ACH payments, please stop by the finance office and complete the form.

As a reminder, we are closed daily from 12:30 -1:30 for lunch. If you need to drop off your payments during this time or during other non-business hours, we have a drop box location in the parking lot.

The finance office is available to answer questions regarding financial concerns such as utility billing, cemetery locations, and business license purchases. **For all other questions such as trash pick-up, street concerns, and non-billing related water or sewer questions, please contact the Public Works Office at 222-5667.**

Moving? Call 222-5667 to set up a new utility billing account or request a final bill. **As a reminder for property managers, landlords, realtors and property owners.** It is the owners responsibility to make sure the final bills are collected based on City Code 13-32.

Let's Talk Trash:

Spring Clean Up Scheduled for May 1st.

- Items will be picked up in the same location as your trash can (boulevard or alley).
- We will be starting on the South side of town going East to West and then do the North side of town going West to East. *If the items you wish to have picked up are not out by your can when we come by, we will not come back to get them.*
- **Spring Clean Up Items include:**
 - Dirt, Rocks, Concrete (one cubic yard or less), Asphalt, Boards, Wood, Sheetrock, Carpet, Windows, Shingles, Porcelain Sinks/Toilets, Yard Waste.
- **Spring Clean Up Items NOT ALLOWED:**
 - Contractor or Personal Demolition Waste, Cars, Car Parts, Furniture, Appliances, A/C Units, Paint Cans, Paper/Plastic Bags, Boxes, Tires, and Mattresses.

Compost Created by the Water Reclamation Facility

- The Facility creates compost that is free and available for all city residents.
- Compost is available for pick up at the Transfer Station.

Green Cans:

- Collection begins May 2nd and ends November 7th.
- Cans are picked up from the street only.
- Please keep **garbage, dirt, and rocks** out of the green cans.
- Currently Green Cans are to be shared with your neighbor(s).
- City Administration is looking into providing Green Cans to all citizens of Livingston.
- Do NOT bag yard waste put into green cans.

Your Sewer Services:

Don't Flush Trouble!

These items cause blockages in sewer lines and **do not** belong in the toilet:

- Paper Towels, Kleenex
- Vinyl, Latex, Rubber Gloves
- Clothing, Wash Cloths, Towels
- Diapers and Wipes
- Feminine Hygiene Products
- Chemicals, Oil, Grease

Root Cutting And Flushing:

Crews will be root cutting and flushing sewer lines throughout the spring and summer.

Cutting back tree roots that have grown through old sewer pipes and flushing the pipes helps prevent future backups. If you have roots cut from your service line, please contact the Public Works Department, so they can inspect the nearby sewer main afterwards.

Please report any illegal dumping in city manholes!

Water Reclamation Facility Upgrade

The WRF upgrade is scheduled for this summer. It will allow Livingston to continue to meet current DEQ discharge permit requirements and to continue it's responsible stewardship of water quality discharged into the Yellowstone River.
