Subject: Petition for Non-Annexation of Streets and Property

Dear Dorel Hoglund, Mel Friedman, Warren Mabie, Quentin Schwarz, Melissa Nootz, Courtney Lawellin and Mike Kardoes,

This letter is to inform you that I, along with Heidi Feldtman, delivered a petition to the City Hall office. Faith Kinnick was out of the office for the day, therefore Samantha Lembke received the petition at approximately 10:10 am today. The petition consists of 50 pages: 1 page labeled the "Affidavit for Person Circulation Petition", 5 pages of "Petition for Non-Annexation of Streets and Property", 38 pages of signed petitions from property owners and 6 signed petitions of nearby property owners.

A copy was filed with the Clerk and Recorder's office prior to delivering it to City Hall.

I want to make everyone aware of the petition. Samantha Lemke stated that she would put the petition packet on Courtney Lawellin's desk.

Please let me know if you have had the opportunity to review this petition in its entirety.

Thank you,
Jolyn Jerde

To Whom It May Concern:

We own property at 212 Garnier Avenue that is within the proposed annexation per Resolution No. 4986.

We disapprove of being annexed into the city. It is not reasonable to force property owners to pay the high cost of city taxes, impact fees, potential improvement district costs and utility charges when city services are not needed by the residents.

Sincerely,

Robert D. Agle

To whom it may concern,

We are the property owners of 206 Arbor Drive in the Montague subdivision that the city of Livingston is intending to annex per Resolution No. 4986. We would like to make it know to the city of Livingston that we strongly disapprove of this annexation (Resolution No 4986.)

Furthermore, we find it to be disheartening that the city would send a cover letter referencing MT code 7-2-4301 while passing a resolution referencing MT code 7-2-4501. This has certainly added to the distrust that many homeowners in the area have described.

We also find it to be highly questionable that the city will claim the Arbor Dr. constitutes a boundary that would allow for "wholly surrounded by the city" annexation. The little maintenance the road does receive comes from the county. It has also provided no use or need to the city. Most of its residents have no need or want for city services. It does not provide any access to city facilities or land. It seems the city is intending to use it for little more than a method of annexation, an annexation that will provide no new or meaningful services to its residents but will help bolster the revenue of the city.

In the end we here at 206 Arbor Dr, see this annexation attempt as a large and expensive step backward. We will receive nothing of value (that we don't already have) while the city will collect hundreds of thousands in additional taxes. The state of Montana instituted these laws specifically to allow for managed growth that was mutually beneficial to both property owners and the cities. Unfortunately, the city is failing to communicate what, if any, benefits will be brought through their side of this relationship.

Regards,

Patrick and Angela Desotell

Re: Annexation

Greetings;

I am against annexation of the properties located in Section 7, Township 2 South, Range 10 East which is now wholly surrounded by the City of Livingston since the Streets were annexed in on June 15, 2021. Mr Kardoes was quoted as saying "that the City has no further intent to annex personal properties." And less than 2 months later he gives Resolution #4986 to the City Commissioners to Approve, stating their intent to now annex our land.

I live in Block 7 of the Montague Subdivision, our block is known as Montague Homeowner's Association, Block 7. We have 8 homeowners in our block, we each have our own septic and a shared well. We each have 2 lots and our homes are placed so that we have an area for 2 drain fields if we would need to replace a drain field. And we have room to drill a new well in the future, if needed. There is no room in block 7 of Montague Subdivision for growth.

When I first moved to Livingston I rented a home within the confines of the City Limits. Finances were tight and it was the cost of City Services and property taxes that forced me to look outside the City for a place to call home. I am a single person homeowner who lives on a tight monthly budget. I cannot afford to have my property annexed into the city, this will create a financial hardship for me, and I will not be able to afford the increase in property taxes, and utilities.

The City Powers have shown that they do not care about the individuals and our financial situation. You will not care if I have to sell my home and move as you know someone else will move into the area. It is stated in Resolution #4986 that you choose to use the powers of MCA 7-2-4501 to annex wholly surrounded property and MCA 7-2-4502 which states that Wholly surrounded land cannot be protested by the property owners to be included in the territorial boundaries of the City.

The code in it's greater length reads: "MCA 7-2-4501: Annexation of wholly surrounded land. A city may include as part of the city any platted or unplatted tract or parcel of land that is wholly surrounded by the city upon passing a resolution of intent, giving notice and passing a resolution of annexation. **Except as provided in 7-2-4502, the provisions of 7-2-4312 through 7-2-4314 apply to these resolutions and the notice requirements**" **Subsection 7-2-4314(d) does give us the right to protest this annexation. And if the majority of the landowners disapprove of the annexation the city or town council may not on its own initiative propose further resolutions relating to the annexation of the area or any portion of the area, without petition, for a period of 1 year.**

The annexation of our lands being taken without right to protest reminds me of when I was in school learning about how our Government took land away from Native Americans and put them on reservations promising them a better life. That promise of a better life came with a hefty price tag!

I urge you to listen to, and answer each question as it is presented to you in letter form or in person as it may bring up further questions that may need to be asked and addressed by the City Commissioners. Do not take all of our questions and then close public comment to answer said questions.

I ask you to please vote **AGAINST** Resolution #4986.

Thank you,
