YELLOWSTONE RIVER FLASH FLOOD WATCH

JUNE 12, 2022: 9:13 A.M.

The Yellowstone River for areas around Livingston is currently under several flood watches and warnings now through Tuesday.

We will see high flows and water levels which will make recreating on the river dangerous even for the most experienced. Please be careful during the next few days.

Read the full advisory here: <https://mooseradio.com/update-livingston-area-flash-flood-watch-warnings-for-yellowstone-river/>
