YELLOWSTONE LEVY TRAIL CLOSED

JUNE 13, 2022: 11:46 A.M.

Authorities are closing Yellowstone River Trail due to pedestrian safety concerns. Walkers are encouraged to seek alternate trails away from swollen river banks, which can become unstable.

Portions of 9th street and River Drive are also being closed due to high water and flooding concerns. Please respect the closures for the safety of everyone and the limited resources available.

Use extreme caution around waterways. Never walk or drive around barricades. Cars can be swept away in as little as 6" of water.

Be safe. Turn around, don't drown.
