Hi Elizabeth,

You are welcome to make the changes and send the notes on to Faith Kinnick <fkinnick@livingstonmontana.org>

Please also ask her to add your name and Maira Emperly to the next City Commission agenda for approval. Heidi Johnson has already been voted on at the Commission. Not sure if they need to do that again now that the Board has also voted.

Also please alert her to the fact that we are canceling our August meeting.

Many thanks, Laurel

Great. Do you want to make that change and send it to you and/or Faith? Just let me how I can help lighten your work load. I think I'm not as busy as you....

Thanks Elizabeth. I believe Sarah seconded the motion for windshield survey. Otherwise looks great.
