Question/Comment

Thank you to the city employees, community members and 4 Ranges for all the work put into this fantastic project to date. Livingston is so fortunate to have some many individuals who want to be involved and make our community a better place. As for the location I would vote for either the Civic Center or M Street to ensure the project is able to secure the \$4m Federal funding. All the locations in my mind would work but these two (due to the \$\$) should be at the top of the list. Great job team!!!
