We would also like to add a very small painted icon to each side of the window. This would only measure approx. 1.5 feet tall. The image would be a minimal leaf or something close to that.

remove old 'Cactus Blossom Collective' vinyl and add button of window key words

windows measure 7 ft 7 inches

Update circle sign to something like this.

Move circle sign to end of building to make space for a painted logo across center of building.

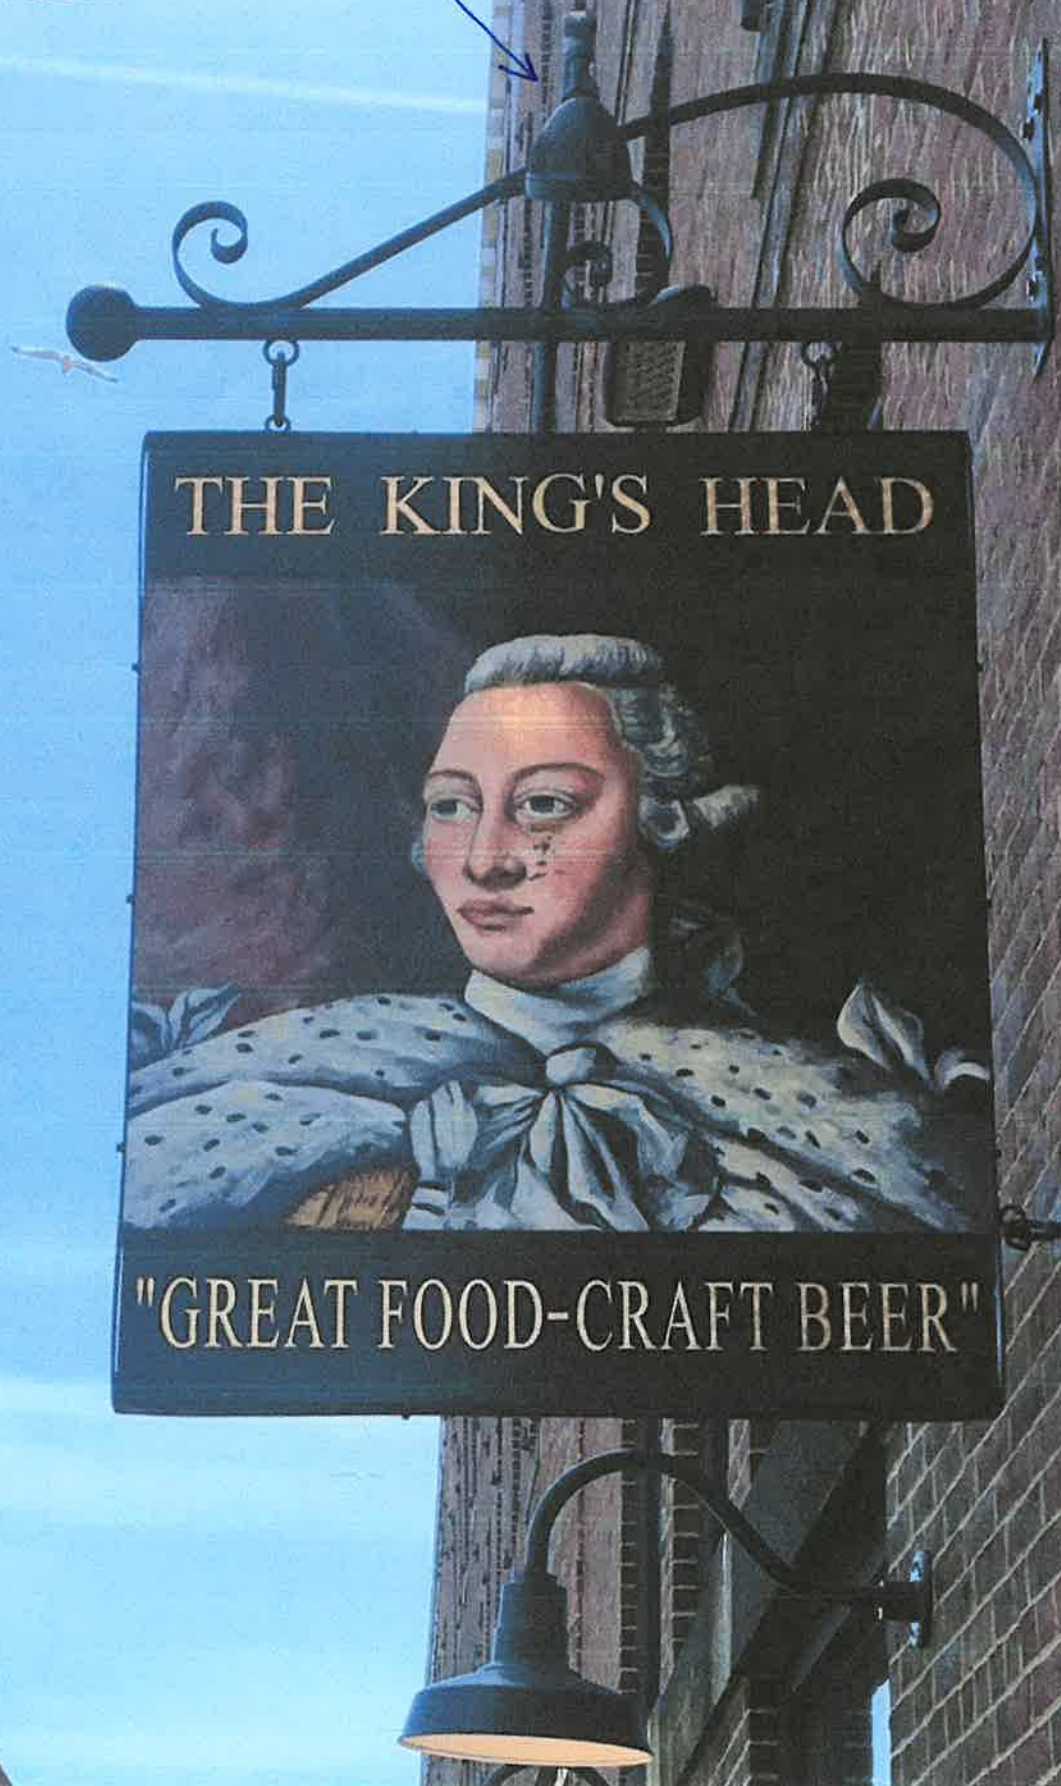

Hand Painted sign measuring approx. 9 ft long x 2 ft high

To be printed on aluminum
