The Employer may grant reasonable leaves of absence to employees whenever required in the performance of duties as "duly authorized representatives of the Association," provided necessary manpower is available to cover shifts.

ARTICLE 4. – WORKING CONDITIONS

A. Workday – Workweek – Shift Rotation

1. Workday – A scheduled workday for patrol officers or detectives shall not exceed ten (10) hours of work in any twenty-four (24) hour period. A scheduled workday for communications officers shall not exceed eight (8) hours in any twenty-four (24) hour period.
2. Workweek – The workweek shall be a fixed and regular recurring seven (7) day period. In accordance with the City Policy Manual, the workweek is agreed to run from Sunday (0000 hours) through Saturday (2400 hours). The City reserves the right to modify the workweek, as necessary, with at least 30 days notice to the Association.
3. For communications officers and sergeants, an employee's work period shall consist of a regularly recurring five (5) consecutive days of employment followed by two (2) consecutive days off. Regular part time communications officers will receive two (2) consecutive days off each workweek.

5. The School Resource Officer (SRO) will work five (5) eight (8) hour shifts during the school year, Monday through Friday. The SRO's schedule may be modified by the employer, in compliance with any contractual agreement with the school district, in the event of an emergency situation or to address unforeseen staffing shortages within the department. During the summer months, and times when school is not in session, the SRO will work regular patrol shifts as assigned by management.
6. Except in emergency situations, employees will not be required to work over fourteen (14) consecutive hours and will be guaranteed at least eight (8) hours off, other than training, court, or call out in the event of an emergency. defined as: 7:00 a.m. – 5:00 p.m., 5:00 p.m. – 3:00 a.m., and 9:00 p.m. – 7:00 a.m. Additional shifts may be added as personnel and departmental needs change. The Association and the Employer agree that the Employer can modify shifts in response to a departmental need.

8. Sergeant's shifts are defined as: 7:00 a.m. – 3:00 p.m., 3:00 p.m. – 11:00 p.m., and 11:00 p.m. – 7:00 a.m., beginning each Monday at 7:00 a.m. through Saturday at 7:00 a.m.
9. Normal rotation for patrol officers and sergeants will be forward; that is, to the next occurring shift in the duty day.
10. The department will attempt to appoint and schedule a day shift detective, contingent upon adequate staffing levels and departmental needs. The day shift detective will normally work the scheduled hours of 8:00 a.m. – 4:00 p.m., Monday through Friday, with ability to flex hours as needed to perform duties. A Detective may be assigned patrol duties as necessary to fill vacant shifts or to accommodate staffing shortages.
11. Any abnormal changes which are to be made must be made in writing notifying the affected employee(s) within a reasonable time period, except in the case of an emergency.
12. The above shifts may be restructured by mutual consent of both of the parties.
13. Employees will be allowed to trade shifts as long as both parties agree and by approval of management. To maintain proper supervision, patrol officers may not trade shifts with sergeants if the trade will result in more than one sergeant working the same shift, leaving another shift without a sergeant on duty. In no event shall the City of Livingston be responsible for the payment of additional overtime or other premium pay incurred by any employee as a result of the shift trade. Employees shall be paid for the hours they are scheduled to work, including holiday or premium pay. 15. 3. The Employer shall provide reasonable bulletin board space for the use of the Association in communicating non-political matters with its members with the exception of internal union election notices.
4. PARKING SPACES: Evening and Night Communications Officers shall be provided with a specifically designated parking place in the lot on the south side of the City County building. Said space is to facilitate the safety and well being of the Communications Officers after the hours of darkness.
5. All employee personnel files will be kept confidential and in accordance with the City of Livingston Policy and Procedures Manual. Employees retain the right to examine their personnel file during normal office hours.
6. The canine officer is assigned a specially equipped take home patrol vehicle that may be used for official business, including traveling to and from authorized training and transporting the police canine as authorized by the Chief of Police.

7. When the canine is retired, at the end of its effective working life, as determined by the Chief, or his/her designee, the City must offer the canine to its handler for one dollar (\$1.00). If the handler/officer purchases the canine, that handler / officer assumes all responsibility and expenses for the canine from the point of purchase forward. Any accumulation of annual vacation leave in excess of this total at the end of the calendar year must be used in the first ninety (90) days of the next calendar year or be forfeited. Employees terminating employment with the city will receive compensation for the unused vacation leave accrued provided the probationary period has been completed. Compensation for unused vacation will be paid at the present rate of pay, not including overtime.
4. Vacations must be approved by the Supervisor and the Department Head and should be scheduled as soon as possible in the calendar year and entered on the Department

vacation calendar. Vacation requests may be denied due to lack of available staffing to cover scheduled shifts, lack of adequate supervision, or other situations where approval would adversely impact operations of the department.

B. Sick Leave

1. All regular full-time employees earn sick leave from the first day of employment; however, they are not entitled to use paid sick leave until they have been employed continuously for the qualifying period of 90 days. Employees who are sick before they finish the qualifying period may ask their supervisor to grant paid sick leave with the understanding that their leave balance will be affected if their employment is terminated before completing the qualifying period.

Employees may use sick leave for personal illness or physical incapacity, sickness of immediate family member, or death in the immediate family of the employee (refer to bereavement leave). Immediate family is defined as the employee's spouse, any member of the employee's house hold, or any parent, child, grandparent, or grandchild, and corresponding step or in-law relationships. Sick leave benefits shall apply to bona fide cases of sickness, accidents, doctor or dental appointments, maternity/paternity leave, and requests for the employees' presence due to immediate relatives' illness or emergency. Falsification of illness or injury, or abuse of sick leave may result in disciplinary action.

2. Full time employees will be credited with one (1) day per month (8 hours) up to twelve (12) working days per year (96 hours) for sick leave at regular pay. Part time employees receive pro-rated sick leave credit. For calculating sick leave, 2,080 hours (52 weeks X 40 hours) equals one year. Sick leave must be credited at the end of each pay period. Employees may not accrue sick leave while in a leave-without-pay status. There are no restrictions as to the number of hours of sick leave credits that may be accumulated after the qualifying period of 90 continuous days employment has been satisfied.
3. A diagnosis of sickness from a qualified doctor must be submitted to the Department Head and attached to the employee's time sheet for any sick leave in excess of three (3) continuous working days, or at such other times as directed by the City in advance to the employee. At the City's request and expense, an employee may be subject to an examination by a physician following a sick leave or other absence occasioned by illness or injury to ensure the employee can complete the necessary functions of the position. A statement by a licensed physician may also be required to certify that the illness of a family member requires the immediate personal supervision of the employee.
4. Sick leave utilized due to illness or death in an employee's immediate family is limited to five working days.

5. An employee who uses all accumulated sick leave and vacation leave hours on an extended illness will be placed on a leave of absence without pay to hold their job. During a leave of absence of more than fifteen (15) days, no benefits are accumulated or allowed and the employee is responsible for the cost of insurance premiums during any period where no salary or benefits are due. Family and Medical Leave Act (FMLA) may apply.
6. There shall be no duplication of benefits i.e.: sick leave, workers compensation payments, vacation, etc. for the same hours. Sick leave records for all employees will be kept in the Office of the Personnel/Payroll Clerk.
7. Sick leave must be taken in minimum increments of one-quarter hour. Prior to using sick leave, an employee MUST inform his/her Department Head or supervisor as soon as practical, but not less than one hour before they are required to report to work. The employee must complete a standard request form and submit it to their Department Head for approval upon his return. The employee must receive advance approval for medical, dental or eye appointments. Absences improperly requested or charged to sick leave may, at the City's discretion, be charged to leave without pay. Vacation leave may be used at the mutual approval of the employee and the City in lieu of sick leave if the employee chooses.
8. An employee who has passed their probationary period, and separates from the City, shall be entitled, upon termination, to cash compensation pay-out for unused leave equal to one-fourth of the accumulated sick leave. The payout will be based upon the employee's salary at time of termination.

C. Funeral Leave

1. Upon the death of a member of the employee's immediate family, full time employees shall receive up to five (5) working days (not to exceed 40 working hours) funeral leave within a seven (7) calendar day period. All funeral leave consists of full pay, not to be counted against the employee's vacation or sick leave. Immediate family shall include: Spouses, partners, ex-spouses where minor children are in the custody of the surviving spouse, children, fathers, mothers, grandparents, brothers, sisters, step parents, step siblings, and the corresponding "in-law" relationships.
2. Regular part time employees will receive the same funeral leave benefits as regular full-time employees.

ARTICLE 7. – HEALTH, SAFETY AND WELFARE

- A. The health and safety of the employees shall be reasonably protected while in the service of the Employer. The Employer shall carry Workers Compensation on its employees. Employees are required to immediately report all personal injuries received in the course of employment, or as soon as the injury becomes apparent, except where an employee is unable to report.
- B. Industrial Accident/a.k.a. Workers' Compensation: Any employee who is injured in the performance of his duties, so as to necessitate medical or other remedial treatment and render him unable to perform his duties shall be paid by the City the difference between his full salary and the amount he receives from workers' compensation until his disability has ceased, as determined by workers' compensation, or for a period not to exceed one (1) year, whichever shall first occur. Payment of such a partial salary shall be discontinued if the officer is disabled for an undetermined duration and is granted a disability retirement allowance. If an application for such a retirement allowance is not made by the officer, application therefore may be made by the City Manager. If the City Manager makes such application, it must be supported by a physician's Opinion. Whenever, in the opinion of the City, supported by a physician's opinion, the officer is able to perform specified types of temporary light duty, in accordance with City policy, payment of his regular partial salary amount shall be discontinued if he refuses to perform such temporary light duty when it is available and offered to him.
- C. False Arrest Insurance
The Employer agrees to provide a false arrest insurance plan.
- D. Medical Examinations/Health Screening
Employees may, at their option, undergo a routine wellness screening as determined by the City and by a health care provider of the City's choosing. The city will determine the type of screening, frequency, and location. Employees will receive advance notice of the date and time, and, once notified shall make reasonable accommodation to participate. For employees covered by City group health insurance, the City will pay the deductible, or co-payment portion of those costs directly attributable to the approved medical examination or screening. If the employee is not in the City Health Insurance group, then the City will pay the entire cost of the physical.
- E. Job safety hazards will immediately be brought before a supervisor or the department head for their review and correction. He/she will take action to correct the hazard within a reasonable time. Miscellaneous items that can be corrected by the employee will remain their responsibility to do so.

- F. Communications Officers workstation chairs will be replaced at a rate of one (1) per fiscal year.

ARTICLE 8. – OVERTIME AND CALL-OUT

A. Overtime

1. Overtime will be scheduled and/or assigned to fill vacant shifts, provide adequate staffing or otherwise meet operational needs. Management reserves the right to adjust regularly scheduled shifts to start and end earlier or later to accommodate a shift vacancy. Example: A 2100-0700 hours shift may be adjusted to 1900-0500.
2. Overtime hours will be posted on the respective department bulletin board if the hours become available at least 72 hours in advance. All eligible employees may sign up for posted overtime hours. If more than one (1) employee applies, seniority will prevail (employees will not be allowed to work over 14 consecutive hours or have less than 8 consecutive hours time off). If nobody signs up prior to 72 hours before the shift, the overtime will be assigned in reverse order of seniority (The least senior employee who is scheduled off that day). This person will be listed on the overtime sign up sheet and be assigned to work unless someone else signs up. For Dispatch, if no one signs up for the open shift, it will be split in half between the Communication Officer on the shift immediately preceding the open shift and the Communication Officer immediately following the open shift.
3. Overtime that becomes available within 72 hours of the scheduled time to be worked will be offered on a seniority basis, giving preference to the employee with the most seniority who volunteers to work the entire number of hours. If nobody volunteers to work, the shift will be assigned to the least senior employee who is scheduled for that day off. For Dispatch, if no one signs up for the open shift, it will be split in half between the Communication Officer on the shift immediately preceding the open shift and the Communication Officer immediately following the open shift.
4. If nobody volunteers to work an entire shift, the hours may be split as agreed upon by eligible employees and with seniority prevailing.
5. Overtime hours that are 4 hours or less may be assigned to employees whose shifts are in conjunction with the overtime hours if nobody volunteers to work.
6. Pre-approved vacations or other absences may be taken into consideration when assigning overtime to the least senior employee.

- B. All hours worked, including Sick and Vacation time (used in place of regular work hours), over 40 hours will be paid at time and a half (1 ½), provided that the hours have not already been paid at time and a half (1 ½). Hours will only be counted once; no hours

will be double counted. This section applies to all employees of the department – full and part time.

- C. "Work week" is defined as a seven (7) consecutive calendar day period beginning at 0000 hours on Sunday and ending at 2400 hours the following Saturday.
- D. All call-out time, a minimum of two (2) hours or actual hours worked, whichever is greater, will be paid at time and a half (1 ½). The call-out hours shall be counted as overtime hours and not as part of the 40-hour work week specified in Article V, section (A)(2). Call out time is considered an unscheduled request to report to duty, with less than 4 hours notification, and not coinciding with previously scheduled work times.
- E. Association employees shall receive a minimum of three (3) hours for Court Call outside of the work shift, except for Court Call hours worked within one hour preceding or following previously scheduled work hours. These will be counted as a minimum of one hour, or the actual time spent. Court Call hours will be counted as hours worked toward the 40-hour work week specified in Article V, section (A)(2).
- F. Training Pay – ALL EMPLOYEES
 - 1. If the City requires an employee to attend training or educational programs, the City will pay all costs pertaining to the training or educational program. Attendance at mandatory training sessions and out of town travel time will be considered time worked and count toward the 40-hour work week. Travel time to and from local training sessions is not considered time worked. The City may adjust the employees weekly work schedule, such as providing alternate days off, if training time will result in an employee accumulating over 40 hours in a work week.
 - 2. If an employee desires to voluntarily attend training, they shall submit a written request to attend training to the department head, or their designee, describing the content, schedule, location, costs and reasons for the training. Request shall be granted on an individual basis, based on the benefits for the department and the employee, and considering budgetary allowances. Voluntary training time, including travel time, shall not be considered time worked. The City may provide an alternate day(s) off if an employee attends approved training on their day(s) off. In the event the request is denied, and the employee chooses to pay for their own training, the employee must receive authorization to be absent from work if the training is during work hours.
 - 3. While an employee is attending the MLEA Basic Course, the employee will be compensated at the regular rate of pay, with all other employment benefits, for 40 hours in a workweek. An employee will not be paid for time spent during training over 40 hours in a workweek.
- G. Continuing Education Reimbursement

1. The City of Livingston encourages employees to continue their education. The City agrees to reimburse an employee 50% of tuition costs and 100% of book costs upon the successful completion of an approved planned program directed toward a job-related degree. To be eligible to participate in the reimbursement program, employees must agree to a planned program of courses leading to a job-related degree and receive prior written approval from the department head and the City Manager. Once their plan has been accepted by the City, employees need only to submit individual course enrollment to the department head for approval. Reimbursement will be made following the successful completion of each semester's courses and submission of grades and receipts.
2. For budgeting purposes, all requests shall be submitted to the department head no later than April 1st of any year. Approval will be granted pending budget limitations.
3. All course books and materials shall become property of the City of Livingston. Any books not desirable to the City shall be sold back to the College Book Store with the funds being returned to the City or may be purchased from the City by the employee for an amount equal to what the College Book Store would have paid.
4. Course attendance is considered voluntary and outside the regular work schedule. The City of Livingston will not compensate an employee for time spent in class, study, projects or any additional time an employee may direct toward the completion of the course. An employee's time involved in course studies will not count toward premium pay, holiday pay or overtime.
5. Communications Officers shall complete a guaranteed minimum of 40 hours of POST certified training annually at the expense of the City to enhance professional skill sets. This training may be completed in class, online or by other means approved. The Communications Officers' training budget shall be increased from \$3000 to \$4000. An additional \$2000 will be allocated by City for training travel.

ARTICLE 9. – POLICIES AND PROCEDURES, RULES AND REGULATIONS

The Employer agrees to furnish each employee here under with a copy of the City Policy and Procedures Manual, Departmental Policy and Procedure Manual, Rules and Regulations and other policies of employment, and agrees to furnish each employee with a copy of any changes. Association employees hereby adopt the City of Livingston Personnel Policy and Procedures Manual in effect July 2015, including the Alcohol and Controlled Substance Use and Testing, and subsequent revisions, and agree to comply with all provisions that do not conflict with this agreement. The Association agrees to appoint a representative to the City Policy and procedures Review Committee to review the manual and forward recommendations to the City Manager for approval.

The City Manager or their designee may dismiss a probationary employee without cause during such probationary period. After the probationary period, employees shall only be terminated for cause or for reduction in force.
- C. In order to accommodate a reasonable amount of training, management may alter the canine handler's work hours or work schedule as necessary, and as scheduling allows, to allow flexible and variable canine training hours that are required to maintain working proficiency. Authorized training hours will be documented by the canine handler and are considered part of the 40-hour work week. Unless specifically authorized ahead of time, additional training time is considered voluntary. The canine handler agrees to attend an annual refresher training and recertification course with an approved nationally accredited K9 Certifying organization to maintain certification in patrol related and special purpose areas. This refresher training and recertification will be considered mandatory training, with the City paying wages and expenses in accordance with Article IX, Section C of this agreement.

ARTICLE 11. – SENIORITY

- B. Employees shall have the right to protect their seniority designations if they believe an error has been made.
- C. Part time employees will earn seniority based upon .5 FTE per year.
- D. Lay-offs caused by reduction in force shall be in order of seniority within the work area within the respective Department; that is, the employee last hired shall be the first released. Full time and part-time employees who are scheduled to be released shall be given at least ten (10) working days notice. All recalls to employment shall likewise be in order of seniority within the work area within the respective Department; that is, the last employee released as a result of reduction in force shall be the first rehired. The Employer shall notify such employees to return to work and shall furnish the Association Secretary a copy of such notices. If the employee fails to notify the Employer within ten (10) working days of his/her intention to return to work, the employee shall be considered as having forfeited his/her right to re-employment.

Employees who terminate their services or are terminated by the City will be furnished upon request a letter stating their classification, length of service and reason for leaving or termination.

ARTICLE 12. – DISCIPLINE

- A. Upon suspected violation of federal, state or local laws, City policies or procedures, employee conduct/behavior/performance standards, or department policies, procedures or rules and regulations, the employee may be subject to disciplinary action. Discipline will be for good cause. A discipline guide was mutually developed and agreed upon during the 2015 negotiation process.
- B. Procedure
 - 1. Allegations of wrong-doing shall be investigated by the department head, or his/her designee, such as a supervisor, or as directed by the City Manager.
 - 2. As determined during the investigative process, the employee will be advised of the allegation and shall be given an opportunity to voluntarily respond orally or in writing.
 - 3. If an investigative interview is requested, the employee will be notified in writing of the time and location. They will be given reasonable advance notice and informed in writing of the suspected violation and in general terms what the interview will be regarding. The City may compel employees to answer questions. Refusing to answer questions upon demand is considered insubordination and will subject an employee to disciplinary action up to and including termination. Investigative interviews will be audio recorded.
 - 4. In situations where disciplinary action may be taken, employees have the right to request an attendee of their choosing (ie. Union representative, co-worker, attorney) to be present during any interview. The attendee is permitted to clarify questions being asked to the employee and give advice to the employee, but they cannot bargain with the City, answer questions for the employee, prevent the employee from answering questions, advise the

employee to give false or misleading answers, or otherwise interfere with or disrupt the investigation.

5. Employees are afforded protection under the "Garrity Rule," in which compelled statements made to the City under threat of disciplinary action, and pursuant to an internal investigation, will be used for internal purposes only and will not be used against the employee as part of any criminal investigation.
 6. Upon completion of the investigation, the department head and/or their designee will notify the employee in writing that the investigation has been completed and scheduling a time and place to meet for the purpose of discussing the investigative findings and to give the employee an opportunity to provide any additional or clarifying information.
 7. During a follow-up meeting with the department head and/or their designee the employee will be provided written notice of the findings, to include specific disciplinary action, if any. The employee will sign the document as proof of receipt and a copy will be provided to them.
 8. If an employee disagrees with a specific instance of discipline or termination action, the employee has the right to add a rebuttal letter to the documentation placed in the personnel file for the corresponding disciplinary action. The rebuttal letter must be received by the city within ten (10) working days of the final disciplinary action. The rebuttal will be placed in the personnel file with no additional comment, investigation, or removal of objected materials by the City. Lack of review and/or comment regarding a rebuttal by the City does not indicate agreement with its contents.
 9. At any time during the investigation, the employee may be placed on paid administrative leave. This shall not be considered a disciplinary action.
- C. If discipline is warranted, it will be rendered in one of the following forms:
1. **Verbal Counseling**

The City Manager and/or designee will meet with the employee and explain the problem and the necessary corrective action. The City Manager and/or designee will also outline the time period in which the employee must correct the problem and the consequences should the employee not comply. This meeting and the issues discussed will be documented in writing as a record of verbal counseling on a standard form provided by the City. The employee and the City Manager and/or designee will sign the record of verbal counseling, which attests that the meeting took place, the employee understood the problem, and the corrective action required.

The record of verbal counseling will be given to the employee, one copy will be retained in a file maintained by the supervisor, and one copy will be forwarded to a 'record of

verbal counseling file' maintained by Human Resources. Human Resources will retain a record of verbal counseling for a period of one (1) year, after which time the record of verbal counseling will be destroyed. If a second disciplinary issue, of the same nature or of a different nature than the first instance, occurs within one (1) year of the first instance, the first record of verbal counseling (found in the 'record of verbal counseling file') will be placed permanently in the employee's personnel file, along with documentation of the second disciplinary issue.

2. **Written Reprimand**

The City Manager and/or their designee will document the problem in the form of a written reprimand. They will meet with the employee, present the letter, and explain the problem. During the meeting they will clarify the necessary corrective action, the time period to comply, and the consequences should the employee not satisfactorily complete the necessary action. The letter to the employee will clarify that the employee is receiving a written reprimand as part of the formal disciplinary procedure. A copy of the written reprimand must be signed by the employee that attests the employee participated in the meeting, understood the problem and the corrective action required, and received the written reprimand. A copy of the written reprimand will be given to the employee and a copy placed in the employee's personnel file.

3. **Suspension (without pay)**

The City Manager and/or their designee will document the problem in a letter to the employee and indicate that the employee is being suspended without pay. They will meet with the employee, present the letter, explain the problem and inform the employee of the severity of the discipline. During the meeting they will clarify the necessary corrective action, the time period to comply, and the consequences should the employee not do the necessary action. The letter to the employee will clarify the effective dates of the suspension, the date that the employee is to return to work and the work schedule. A copy of the letter must be signed by the employee that attests the employee participated in the meeting, understood the problem and the corrective action required, and that the form of discipline was suspension. A copy of the letter will be given to the employee and a copy placed in the employee's personnel file.

4. **Demotion – Loss of Duty**

The City Manager and/or their designee will document the problem in a letter to the employee and indicate the specific conditions of the demotion to include modified job duties and compensation, as warranted. They will meet with the employee, present the letter, explain the problem and inform the employee of the severity of the discipline received. During the meeting, they will clarify the necessary corrective action, the time period to comply and the consequences should the employee not do the necessary action. They will determine if the demotion is a temporary disciplinary measure or a permanent job modification. In the event the demotion is a permanent job modification,

the employee's job description will be updated to reflect such. A copy of the letter must be signed by the employee that attests the employee participated in the meeting, understood the problem and the corrective action required and that the form of discipline was a temporary or permanent demotion and loss of job duties/responsibilities. The payroll clerk will be notified of the employee's modified job classification. A copy of the written documentation will be given to the employee and a copy placed in the employee's personnel file.

5. Termination

If the appropriate disciplinary action is termination, a letter to the employee will document the problem and summarize the results of the investigation. The letter will detail the effective cause and date of termination. The letter shall also include a copy of the appropriate Grievance Procedure Policies advising the employee of their right to use the procedures.

- D. If the employee doesn't agree that the discipline was warranted or if they consider the disciplinary action inappropriate, the employee may follow the collective bargaining grievance procedure or applicable law.

ARTICLE 13. – GRIEVANCE PROCEDURE

- A. It is the intent of the City to encourage employees to bring to the attention of management their complaints about work related situations and to communicate their concerns or complaints. If a complaint is unresolved, this formal grievance procedure is provided to appeal any decision by management.
- B. A grievance is defined as an employee's expressed feeling of dissatisfaction concerning conditions of employment or treatment by management, supervisors or other employees. An employee will initially attempt to resolve the grievance informally with the immediate Supervisor.
- C. For the purpose of this article, 'working days' are defined as Monday through Friday excluding holidays.

STEP I – When an employee cannot resolve the grievance informally, the employee should bring the matter formally, in writing to the immediate Supervisor, within ten (10) of the event giving rise to the grievance, or of the time the employee could reasonably expect to have knowledge of the event. The immediate Supervisor will give a written response within ten (10) working days.

STEP II – If the employee is not satisfied with the Supervisor's response, or the Supervisor fails to respond within ten (10) working days, the employee may appeal in writing to the department head within ten (10) working days of the Supervisor's decision or failure to respond. The department head will review the grievance with the employee and Supervisor and issue a decision within ten (10) working days.

STEP III – If the employee is not satisfied with the department head's response, or the department head fails to respond, the employee may appeal in writing to the City Manager within ten (10) working days of the department head's decision or failure to respond. The City Manager will review the grievance and the decisions of the Supervisor and department head and may call a meeting with the grievant and his/her representative. A decision will be communicated to the employee within fifteen (15) working days.

STEP IV – If the decision of the City Manager is not satisfactory, the employee and/or his representative may have the grievance arbitrated by an impartial third party upon written request. If the Association desires to take the issue to arbitration, the Association shall provide written notice to the City within fifteen (15) days of receipt of the City Manager's decision. Within five (5) working days after submission of a written request to arbitrate, a request for a list of Arbitrators will be made to the Montana Board of Personnel Appeals. Within five (5) working days of the receipt of the list, each party will alternately strike names from the list and the name remaining shall be the Arbitrator.

- C. The Arbitrators fees shall be shared equally by the aggrieved party and the City. The Arbitrator shall have no authority to alter, amend or delete any Policy of the City, or provisions of this Agreement. The Arbitrator shall render a decision within thirty (30) working days of any Hearing or within thirty (30) days after the deadline for submission of briefs requested by the Arbitrator after the hearing and such decision shall be final and binding on both the aggrieved employee and the City.
- D. State law shall apply in all suspensions and/or dismissals that are not in conflict with the above paragraphs and the state law for suspensions and/or dismissals shall be followed.
