SCHOOL RESOURCE OFFICER POLICY

I. Introduction

- A. Assigning police officers to schools is not a new strategy and is increasingly being used as law enforcement agencies and school districts coordinate their efforts to address juvenile crime and violence. The Livingston Police Department and the Livingston School District believe that assigning a school resource officer (SRO) to a school will enhance safety and security for students, and increase students' knowledge of and respect for the law. The SRO program is intended to be proactive in nature, with an emphasis on preventing problems before they arise.

II. Purpose

- A. The purpose of this policy is to establish clear operating guidelines for the School Resource Officer (SRO) program, as accepted and approved by the City of Livingston, Chief of Police, Livingston School District and the applicable school administrators.

The principal and the SRO will mutually agree on an appropriate time and place to conduct the interview. The principal will be given the option of being present. Interviews and interrogations will be conducted in accordance with the law, police department policy and school policy.

2. Prior to interrogating any student who may be charged with a criminal offense, they must be advised of their constitutional rights per *Miranda vs. Arizona*. Students under the age of 16 will not be interrogated under any circumstances without notifying a parent or guardian. The parent, guardian, or their designated attorney will be allowed to be present during the interview if they so choose. Prior to interrogating students over the age of 16, a reasonable attempt will be made to contact a parent or guardian. They will be allowed to be present during the interview if they so choose. F. Felony Offenses

SCHOOL RESOURCE OFFICER POLICY

Effective Date: March, 2012

Supersedes Policy Dated: Fall, 2001

1. The commission of all felony offenses on school property should be brought to the attention of the school principal or vice principal as soon as possible. The Chief of Police shall be notified as soon as practical. An investigation will be conducted on all felony cases. If a student is identified as having committed a felony offense, or there is probable cause to believe they committed a felony offense, they will be issued a youth offense report and referred to the juvenile probation officer. If, due to the circumstances, there is a question of whether or not to issue a youth offense report, the county attorney shall be notified and he/she will determine whether or not to issue a youth offense report. If the student is 18 years of age or older, a request for prosecution shall be forwarded to the county attorney's office unless the circumstances require an immediate arrest.

If a student, or anyone else, commits a violent felony or otherwise poses an immediate threat to the safety of other students, school staff, school property or the general public, the SRO shall take appropriate action to alleviate the threat. It is preferred that students, or others, who commit a serious felony on, or in the vicinity of, school property be arrested in a timely manner, removed from school property and subsequently charged accordingly. In these circumstances, the SRO has the authority to take appropriate legal action prior to notifying school officials.

G. Arrest

1. Students should be arrested and removed from school grounds only if the existing circumstances require immediate arrest and/or removal, and with consent of the school principal or vice principal whenever practical. If possible, custodial arrests should be conducted in a "low-key" manner, causing the least amount of disruption and attention as possible. The SRO has the authority to detain any student if they observe the student committing a criminal offense, or violating a school rule that would normally allow a school official to detain the student. Although the SRO may, upon request from school officials, detain or assist in the detention of a student for violating school rules, they will not "arrest" the student. The student will immediately be turned over to the custody of school officials, who will handle the matter in

SCHOOL RESOURCE OFFICER POLICY

accordance with school policy. In these situations, the role of the SRO is merely to provide assistance and keep the peace.

2. Procedures for the arrest of a juvenile (under the age of 18)
 - a. For minor offenses, or when the student poses no threat to the safety of others, it is preferred that a youth offense report be issued unless it has been agreed upon that discipline will be administered by school officials. A written warning may be issued if deemed appropriate, however it should be documented on a youth offense report form. Unless already detained by the SRO, school officials will contact the offending student at a time and place of school officials' choice. The student will be brought to a private location, apart from other students. If a student is issued a youth offense referral, their parents shall be notified as soon as possible if they have not already been notified. In the event the parents cannot be notified, the juvenile probation officer will be contacted and advised of the situation. Recommendations of the juvenile probation officer will be followed.
 - b. If it is determined that a student should be taken into custody and removed from school property, the SRO will transport them to the police department in accordance with department policy. A parent or guardian will be notified and the juvenile will be released to their custody. If it is determined the juvenile poses a risk to the safety of others, or for some reason should not be released from custody, the juvenile probation officer and/or county attorney will be notified and will determine an alternative placement.
 - c. Per department policy and state law, students arrested for traffic offenses are subject to being issued notices to appear in city court. Citations issued for these offenses that occur on school property will be at the discretion of the SRO and the appropriate school administrators. Parents will be contacted as soon as possible and advised of the situation
3. Arrest of students 18 years of age or older
 - a. For minor offenses, or when the student poses no threat to the safety of others, it is preferred that a request for prosecution be forwarded to the appropriate prosecuting

SCHOOL RESOURCE OFFICER POLICY

Effective Date: March, 2012

attorney unless it has been agreed upon that discipline will be administered by school officials. An arrest warrant or criminal summons may then be issued and served at a later time.

- b. Unless already detained by the SRO, school officials will contact the offending student at a time and place of the school officials' choice. The student will be brought to a private location, apart from other students. The student will be arrested in accordance with state law and department policy, and transported to the Park County detention center per department policy. If a student is arrested on school property, a reasonable attempt shall be made to notify a parent or guardian as soon thereafter as practical.

H. Search and Seizure

1. When requested by school officials, the SRO may assist school personnel in searching the property or possessions of a student when done in compliance with school policy. In these situations, the SRO is merely assisting school officials in order to protect the safety of all persons involved. Items seized will remain in the custody of school officials. Contraband or weapons that are recovered will be turned over to the SRO for eventual destruction or disposal. The school, in accordance with school policy, will administer discipline resulting from evidence recovered during a search made by school officials. Criminal prosecution will not be considered, except in cases of serious felony offenses, and mutually agreed upon by the SRO, school officials and the city or county attorney. If evidence is recovered that warrants a criminal investigation, or criminal charges may arise, the city or county attorney will be notified as soon as practical. He/she will determine the legality of the search, provide legal advice and assist in the issuance of a search warrant if deemed necessary.
2. The SRO shall respect the constitutional rights of students to be free from unreasonable searches and seizures. Searches of a student's person, property or possessions initiated by the SRO shall be in strict compliance with department policy, state law and constitutional guidelines. Searches of any nature shall only be conducted when there is probable cause to believe the search will uncover evidence that a student has committed, is committing, or is

Effective Date: March, 2012

Supersedes Policy Dated: Fall, 2001

about to commit a criminal offense. Situations which would justify any restrictive search on school property include:

- a. Pat down search of a person following a custodial arrest for the purpose of protecting the officer and others, or collecting evidence or fruits of the crime.
 - (1) SRO officers will not conduct a pat down search on someone of the opposite sex. They should request that a school official of the same sex conduct the search.
- b. Pat down search of a person if the SRO has reasonable suspicion the person possesses a weapon or destructive device.
- c. Search of a common area in which no expectation of privacy exists.
- d. Following the consent of the student, the school principal or vice principal, and their parent or guardian.
- e. Execution of a valid search warrant.

VIII. Use of Force

- A. SRO's are expected to provide security on school property, and take reasonable actions to protect the safety of students, faculty and visitors. Given these expectations, the possibility exists that there may be a need to use reasonable levels of force to accomplish these means. SRO's are entitled to use that force, including deadly force, which is objectively reasonable to make an arrest or gain control of a situation, and is in strict accordance with the Livingston Police Department's Use of Force Policy and applicable state laws. Officer safety, citizen safety, and the overall goals and objectives of the SRO program must be considered in all use of force decisions.

IX. Dress Code

- A. SRO's are representatives of the Livingston Police Department and should project a professional image at all times when on duty or attending school functions. They are required to adhere to police department regulations regarding proper dress and grooming, and will wear the prescribed uniform of the Livingston Police Department while on duty or while attending functions as a representative of the police department. If approved by the Chief of Police and the respective school principal, SRO's may instead wear the appropriate "plain clothes" during certain

days or at certain times. The SRO will carry their duty weapon, badge and department identification with them at all times while on duty or while acting in their official capacity. If the SRO is carrying a weapon while wearing "plain clothes" at public functions, it should be properly concealed or otherwise carried in compliance with state law and as specified in Standard Operating Procedure #017. SRO's providing security at school functions will wear the prescribed uniform and all normal duty equipment unless otherwise approved by the chief of police.

X. Conduct

- A. The school resource officer's personal behavior and attitude must be beyond reproach. He/she must refrain from any conduct which adversely affects the school environment or tends to bring discredit to him/herself, the police department or the school district.
- B. The SRO shall not use harsh, sarcastic, abusive, coarse, profane or insulting language in the execution of their duties.
- C. The SRO shall not use their official position for personal gain, to include accepting gratuities or gaining free admission to any public event. It is recognized that the SRO's presence at school functions is encouraged and beneficial toward accomplishing the over-all goals of the SRO program. Exceptions may include privileges that are granted
- D. The SRO shall comply with all school rules, regulations and policies regarding personal conduct

XI. Evaluations

- A. The Chief of Police will develop an evaluation system in which all SRO's will be evaluated twice yearly, or more often if need be. Applicable school principals shall participate in the evaluations.

XII. Written Reports

- A. All action taken or investigations conducted by the SRO resulting from a violation of criminal law will be properly documented in a timely manner, including entering all necessary data and written narrative reports into the Livingston Police Department's computerized records maintenance system. Citations, youth offense reports and other documents will be filed in a timely manner.

SCHOOL RESOURCE OFFICER POLICY

Effective Date: March, 2012

Supersedes Policy Dated: Fall 2001

- B. Action taken or investigations conducted (of significance) that do not involve a violation of criminal law, or are of a minor nature and criminal charges will not be initiated, will be documented in writing. The SRO will maintain this documentation. The SRO shall organize and maintain personal files that contain information and documentation necessary to enhance the program and evaluate its effectiveness. Such documentation may include; activity logs, written reports, instructional lesson plans, written correspondence, statements, criminal activity intelligence, personal notes, and other information deemed appropriate by the SRO, school officials or police department administration.

XIII. Confidentiality

- A. The SRO will comply with state law, department policy and school district policy regarding the dissemination of confidential information.
