Project Description: _____

Attach construction drawings (2 copies) which are to be incorporated with this permit. Distances from right-of-way line, centerline, and existing utilities, to the proposed installation **must be provided**. All above-ground structures must be clearly identified on the drawings.

Street Cut Permit: If the proposed installation will require trenching, potholing, or any other disruption of the traveled roadway (street or alley), roadway shoulders, or pedestrian or bikeway facilities, a Street Cut Permit must be obtained prior to commencing work.

Traffic Impacts: If the proposed installation will require the closing of one or more lanes of traffic, a detailed Traffic Control Plan must be attached and incorporated with this permit. All construction zones shall be signed in accordance with the Manual of Uniform Traffic Control Devices.

Permit Conditions: This installation is subject to compliance with the City of Livingston's Utility Occupancy Guidelines and the following requirements:

1. The Applicant/Utility will notify the Public Works Department at least 48 hours in advance of initiation of any work detailed in this permit, except for emergency situations.
2. The City of Livingston shall not be liable to the general public for any injury to or death of any person whomsoever belonging when such injury, death, loss or damage arises out of or results from the construction, maintenance, or repair of existing or future utility facilities located within public right-of-way, or the installation or operation of such utility facilities within the public right-of-way, regardless of whether or not the City of Livingston has expressed or implied approval of the construction, maintenance, repair, installation or

operation of such facilities within the public right-of-way. In accepting this permit, the Permittee, its/his/her successors or assigns, agrees to indemnify the City and hold it harmless from all claims, actions, liability, and damage of every kind including attorney fees and costs and description which may accrue to, or be suffered by, any person or persons, corporations or property by reason of the performance of any such work, character of materials used, or manner of installations, maintenance and operation, or by the improper occupancy of said roadway right-of-way, and in case any suit or action is brought against the City and arising out of, or by or by reason of, any of the above causes, the Permittee, its/his/her successors or assigns, will upon notice to it/him/her of the commencement of such action, defend the same at its/his/her sole cost and expense and satisfy any judgment which may be rendered against the City in any such suit or action. City includes its officers, employees, agents and assigns.

3. This approval is granted with the understanding the installation will be made according to the plans as submitted. Field revision may only be made with the approval of the City Public Works Director or designee. If the installation is not made as shown on the plans or approved amendment, the City of Livingston, at its discretion, may require the removal of the installation.

4. CONSTRUCTION, MAINTENANCE, REMOVAL OF INSTALLATIONS OR STRUCTURES. Permittee, at permittee's sole cost and expense shall construct, maintain, replace, relocate and/or remove the installation, facility, or structure in accordance with the applicable City and industry standards. Furthermore, after completion of any of the aforementioned construction, permittee shall fill in any excavations and restore the right-of-way to its original condition. The City shall have the right at any time to require permittee to maintain, reconstruct, replace, relocate and/or remove its facility from the right-or-way, all at the permittee's expense.
