

City of Livingston Swimming Pool

Permission Form 2025

The Department of Public Health and Human Services (DPPHS) per Circular FCS 3 – 2020 Montana Standards for Public Swimming Pools; section 8.2.3 (d) and the City of Livingston prohibit children under 14 years of age to swim without a “responsible person” supervising.

“Responsible Person” means any person 15 years of age or older who is charged with safeguarding the child.

A responsible person should:

1. Exercise good judgment
2. Remain at the Pool and attentive to their charges
3. Not be distracted (i.e.: on electronic devices, socializing with others, etc.)
4. Ensure their charges are following all pool rules and regulations at all times

Examples of a responsible person are:

- Caretakers (babysitter)
- Family members who are age 15 or over

With **parental/guardian completion of this form**, children under fourteen (14) years of age will be allowed to swim at the pool with a responsible person. Children in this age bracket will only be allowed entrance if they have this current permission slip on file at the pool and it should be updated each time a different responsible party is chosen.

THIS FORM IS VALID FOR the 2025 pool season of June-August.

The City of Livingston Pool Manager and Recreation Director may revoke permission if the responsible person fails to meet expectations. Once revoked, the responsible person cannot be reinstated for the remainder of the 2025 season. The parent/guardian must then provide a new responsible person or accompany the child.
