

### **Inflatables (Bounce Houses, Obstacle Courses, etc.)**

Inflatables are considered high-risk equipment and are only permitted on City of Livingston property under the following conditions:

- Inflatables must be rented through a **licensed and insured commercial vendor**.
- A **Certificate of Insurance (COI)** must be provided by the vendor no later than 7 days prior to the event.
  - The COI must show a minimum of **\$1,000,000 in liability coverage**.
  - The **City of Livingston** must be listed as *Additionally Insured*.
  - The certificate must specifically reference coverage for inflatable use.
- Privately owned or “backyard” inflatables are **not permitted**.
- All delivery, setup, and supervision of the inflatable must be provided by the vendor. City staff and facility renters are not authorized to set up or monitor inflatable equipment.

Failure to provide the required documentation or to comply with these conditions will result in denial of inflatable use at the event.
