Resolution No. 3339

Naming the skate park the "McNair Skate Park."

Page 1

The Skate Park Committee of Livingston, Montana would like to establish the skate park as a memory of Nelson McNair by naming the park **"McNair Skate Park"**.

Nelson McNair was a young member of this community who lost his life in an accident. A major part of his life revolved around skateboarding and those people associated with the sport. He participated in the first attempts of building a skate park in Livingston and I believe under the current status of the park would still be an active participant for the completion of it.

Therefore I am requesting that the City Attorney draft up a Resolution granting the City Commission authority to give the park the title, "McNair Skate Park."
